

Certificate

This certificate confirms, that

BAHO Holzhandel- und Transportvermittlungs GmbH

ENplus-ID: DE 399

Josef-Wallner-Str. 2

94469 Deggendorf

fulfils the requirements of the ENplus certification program for the trade of bagged pellets.

The owner of this certificate shall be entitled to offer certified bagged wood pellets of the quality classes ENplus A1 and ENplus A2. The company is subject to control by both Deutsches Pelletinstitut GmbH (DEPI) as program operator in behalf of the European Pellet Council (EPC) and the certification body HW-Zert GmbH within the certification of the quality assurance system ENplus (Certificate No.: HW-EN-0001-18).

The owner of the certificate may use the ENplus Certification Seal according to the provisions of the "ENplus Quality Certification Scheme for Wood Pellets".

Valid since: 18. März 2022

Valid until: 17. März 2025
